English Re-capture Meterin -Teutons Driven Back South of Arras.

By Associated Press.

Today's official report from Field Marshal Haig's headquarters announces what seems to be a partial withdrawal without enemy interference from the Ypres sector. The British front line positions east of Ypres have been given up, and a new line to the west has been occupied.

Apparently the retrograde movement is pivoting on the Wytschaete sector, where London today reported a successful counter-attack upon the Germans, who yesterday captured the town of Wytschaete, near the highest point of the easterly Messines Ridge. and are preparing to push beyond the

According to an unofficial report, the Germans have advanced to St. Elol, about six miles directly south of Ypres. This may be an indication that the British retirement is to the line of the spring of 1917.
